PREFACE

The initial intention of this work was to preserve the family history of the ancestors and descendants of our Franklin County, Penn. Wertz families. However, as our research and correspondence progressed it seemed clear that additional chapters should be added noting the several other Pennsylvania Wertz-Wirt-Wurtz families and the few others who settled in other states. These records are by no means complete, but they are included here to assist others and prevent needless duplication of efforts. Hopefully future generations will begin where we left off, as we have begun where those before us concluded.

A genealogy is always an ongoing compilation of never ending records and generations yet unborn, and thus never complete or finished. But there also comes a time when the volume of records collected, and the number of generations recorded needs to be presented in a published work for the benefit of present and future generations. Many in our Wertz clan have felt this need for some years now and encouraged the writing of this book. To them I am grateful for their influence and support, and I sincerely hope they are not disappointed with the result.

INTRODUCTION

Primarily this family history proceeds from the earliest known families forward to the present generations. Because this author has a dislike for numbering systems, which take up space and are at best confusing, and prefers a narrative style, families are outlined under headings, with numbers given to the children in each outlined family corresponding to their order of birth as best that could be determined. Page references are then given to the location within this book where preceding and descendent generations are recorded. Occasionally summary information reviewing preceding records moves backwards in time, but the wording of such passages should make them clear. For the most part family groups have been maintained by chapter and subchapter headings, except in Chapters 1, 7, 10, and 11, where misc. records for several perhaps unrelated Wertz families are included.

Some common abbreviations have occasionally been used, such as: b.=born, m.=married, d.=died, and a.=about or approximately. The standard abbreviations for states, months, etc. have also been utilized, but for the most part complete words, and always complete dates, are presented throughout this book to minimize any possible misinterpretations. The use of a letter in parentheses, such as (A), denotes references or footnotes, which are given at the conclusion of the text of the book, just preceding the two indexes. In cases where a source or reference is used only once or twice, those notations may be included in the text.

Every effort has been made to make this book readable and informative for the family member seeking to learn of their Wertz heritage, and at the same time useful to the family researcher who perhaps seeks only specific pieces of data or clues to missing links.

ACKNOWLEDGMENTS

The record keeping efforts of many, in generations past as well as present, have contributed to the total collection of data here assembled. Some records are of course from public documents or books in courthouses and libraries. But the bulk of this work began with the efforts of Estelle Ryan Snyder of Chicago, Illinois, who in 1912 to 1915 compiled a record of the descendants of Unstatt Wurtz, born about 1605 in Bretten, Karlsruhe, Baden, Germany.
Mrs. Snyder recorded this family tree on a large "butcher paper" in map style. A sample piece of that chart is reprinted at the end of Chapter 1. Many years ago that chart was filmed to preserve it and to produce copies for other family members and libraries, and in this filming process the size of the writing was so reduced that reading is difficult now, and even magnification does not much help to clarify the blurred ink or unclear writing.
So that over the years many interpretations of the original work have led to errors. Thus throughout this work, where other records could not be found to verify questionable dates, question marks appear to call the readers attention to the possible errors of interpretation or transcription.
Nevertheless, we owe a great debt to Estelle Ryan Snyder and those of her generation who recorded this family tree.

Among the more recent generations, we extend appreciation to the following contributors:

William H. Brindle, of Erie, Penn.

Christian Heckman Cell, now deceased.

Chapter 1

ANCESTORS IN BRETTEN, KARLSRUHE,BADEN, GERMANY

Oral tradition, handed down among the Wertz families in Franklin County, Pennsylvania for several generations and finally written down about 1910, was that "the Wertz family is descended from two brothers who were knighted in Germany at the time of Charlemane (742-814). The name was then spelled: Von Wirz. One of these two brothers settled in Switzerland; records are available there for this branch of the family. (see Chapter 8) The other brother settled in Germany and from him comes our branch of the family, using the spelling Wurtz and Wuertz in Germany, and Wertz in America."

There is of course no proof that this tradition is correct. But we have learned nothing to disprove it either over the many years of research done by numerous members of this family. There is also no proof that any of the Wirtz-Wurtz crests (see next page) belong to our direct ancestors.

The earliest proven records that we do have, date to 1585 in Bretten, a town about 20 miles East of Karlsruhe, in Baden, Germany. Most birth, marriage and death records of that area were destroyed during the French invasion. But in 1912, Mrs. Estelle Ryan Snyder of Chicago, Illinois was able, by correspondence with the Pastor, Karl Renz, of the Reformed Lutheran Church of Bretten, to locate church records dating from 1600. A few earlier records now appear in the IGI. (E)

The last three records, 1659 and 1681, were submitted by this author in 1968 from the records obtained by Estelle Ryan Snyder. However, the first two records are of unknown origin. They would seem to pertain to this family, and if so may add another generation to the pedigree established by Mrs. Snyder. They are included here as questionable, but possible.

The Reformed Lutheran Church Records of Bretten, obtained in 1912 by Estelle Ryan Snyder and charted by her in 1915, shows the following outline:

Unstatt Wurtz, born about 1605, Bretten...
two sons indicated:

I. Hans Bunkardt Wurtz, born about 1630, Bretten; married 11 June 1653 to Maria Duscheur; eight children all recorded in the Bretten Church records:

Additional 16I records show another Wurtz family in Bretten at the same time period. Their connection to our family is unknown, and thus their records are included here for information only. No statement of relationship is indicated or intended.

Hans Wurtz and Elizabeth Winter... parents of:
1. Hans Wurtz, christened 18 January 1567.
2. Agnes Wurtz, christened 19 Dec. 1568.
3. Anna Wurtz, christened 27 Nov. 1569.
4. George Wurtz, christened 6 May 1571.
5. Margaretha Wurtz, christened 1 Dec. 1572.
6. Martinus Wurtz, christened 10 March 1575. (see below)
7. Jacob Wurtz, christened 15 June 1576.
8. Christoph Wurtz, christened 6 Feb. 1579.
9. Veit Wurtz, christened 6 Feb. 1579.
10. Hans Jorg Wurtz, christened 6 March 1581.

Children numbers 8 and 9 may have been twins, or just christened on the same date. These records do not give any clue to their age or birthdates.

Martinus Wurtz married 12 Oct. 1597, Bretten to Barbara Wesinger; parents of:
1. Catharina Wurtz,chr.21 July 1598, Bretten

Perhaps the first wife, Barbara, died in childbirth or soon after, because the records show Martinus Wurtz and a Maria Salomea Creutz as parents of the following children... all christened at Bretten:
1. Margaretha Wurtz, chr. 14 Feb. 1603. *
2. Margaretha Wurtz, chr. 14 Feb. 1613. *
3. Hans Martin Wurtz, chr. 14 Feb. 1616.
4. Anna Maria Wurtz, chr. 6 Dec. 1620.
5. Hans Michael Wurtz, chr. 18 May 1623.
6. Magdalena Wurtz, chr. 3 April 1626.
7. Johann Melchiro Wurtz, chr. 8 June 1627.
8. Peter Wurtz, chr. 13 October 1629.

* A Margaretha Wurtz married Oct. 1632 to Hans Michael Strauss. It is not known if this is one of the above Margaretha's or not, or if there were two Margaretha's in this family.

Perhaps, since the day and month are the same, an entry error in the year has resulted in a duplicate entry.

There are many other Wurtz families listed in the Baden IGI files, but these were living in or near Bretten during the same time period as our Unstatt Wurtz families, thus adding probability to some kinship, through none is known at this time.

BIRTHS or CHRISTENINGS in KARLSRUHE

Christoph Wuerz, born 1698, Oberoewisheim, Karlsruhe, son of Franz Stephen Wuerz and Agnes Maria.

Eva Margaretha Wuerz, born 14 Sept. 1724, Oberoewisheim, Karlsruhe, daughter of Christoph Wuerz and Elizabetha.

Michael Wuerz, born 6 Sept. 1721, Oberoewisheim, Karlsruhe, son of Christoph Wuerz and Elizabetha.

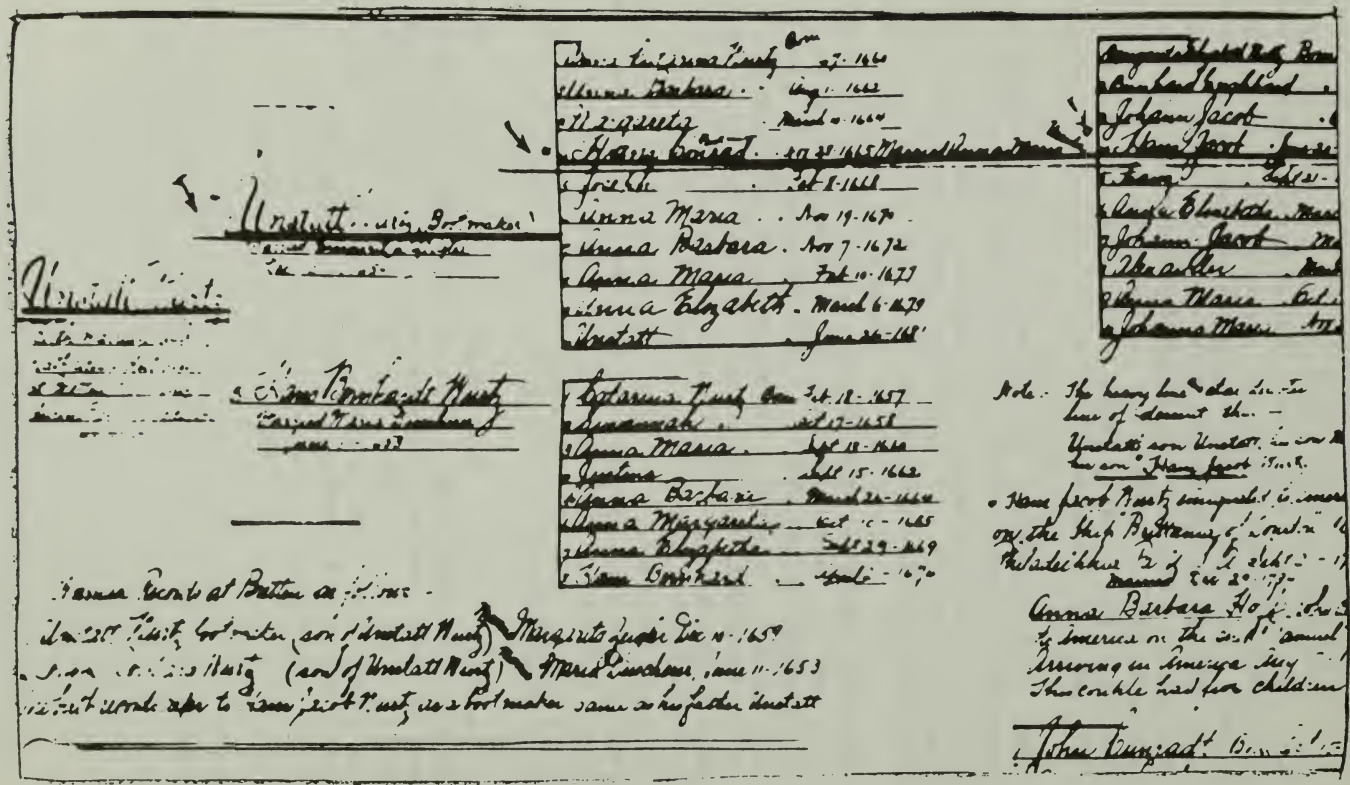
SUMMARY of our BRETTEN ANCESTORS

Our immigrant ancestor, Hans Jacob Wurtz, was born 20 June 1705 in Bretten, Karlsruhe, Baden, Germany, the fourth child, and third son of Hans Conrad Wurtz and Anna Maria Ursula. Records in both Germany and America substantiate this. Records of his immigration, marriage, and family will be outlined in Chapter 2.

Hans Conrad Wurtz, was born 28 Nov. 1665, in Bretten, the fourth child and eldest son of Unstatt Wurtz and Margaretha Zeigler. The church records in Bretten also indicate that Hans Conrad was a bootmaker.

Unstatt Wurtz and Margaretha Zeigler were married 10 December 1659, probably in Bretten or nearby Karlsruhe. (Karlsruhe is both a town and a "county" in this part of Germany.) This Unstatt Wurtz was probably born about 1635, probably the second son of Unstatt/ Anstet Wurtz and --?--. (Name of this women is as yet unknown. It is possible that the senior Unstatt Wurtz is the same person as the Anstet Wurtz, christened 14 December 1600 in Bretten, son of Alexander Wurtz and Barbara Fleiner.

Alexander Wurtz and Barbara Fleiner were married 5 October 1585 in Bretten, so Anstet would have probably been one of their younger children. Since the Bretten records prior to 1585 were destroyed, we have no way to ascertain Alexander's birth or parentage.



Chapter 2

OUR EMIGRANT ANCESTOR, HANS JACOB WURTZ

When Queen Anne was on the throne of England the rulers decided too many Englishman were being sent to the colonies and they began looking for others to settle the new world lands. In the section of Germany known as the Palatinate the people were oppressed by war and poverty and religious persecution. So they listened eagerly to the glowing tales of America, and in just two years some thirty thousand Germans moved first to England, where they were sheltered mostly in tents, and then transported, a few to Ireland, but most of them to Pennsylvania, New York and the Carolinas. Thus began the great German emigration to America.

In 1731 Hans Jacob Wertz, now 26 years old, having learned his father's trade of bootmaking, joined a band of pilgrims who left the Palatinate, passing through Holland and then boarded a ship probably at Rotterdam. There were one hundred and six Palatines, with their families, making two hundred and sixty nine persons who sailed on the Ship Britannia of London, with Master Michael Franklin at the helm. The list of passengers, made upon their arrival at Philadelphia 21 September 1731 includes Jacob Wirtz or Wurts, age 26. He signed by mark, indicating that he probably could not write. Jacob is also the only Wurtz listed in the entire company, so it is assumed that he came alone, leaving all of his family behind in Germany.

The original ships log is now in the custody of the state of Pennsylvania, and can be seen at the capitol building in Harrisburg.

These lists have been published in several books, available in many libraries. (A)(B)

No proof has yet been found to indicate exactly where Jacob lived from 1731 to 1733. However, on March 3rd 1734 he purchased a pre-empted claim of 118 acres in Coventry township, in the county of Chester. This farm was known as "Pleasant Dale".

The autobiography of David Wertz, written in 1896 (DD), states that "Jacob Wertz was born in Mineheim, in the village of Muastad, Germany, July 17, 1705, and he married Barbara Hoff, of the same place... She was the daughter of Jonas Hoff. Barbara Hoff was born Dec. 29, 1707, in Germany, and died in America Feb. 11, 1788." (DD)

Some family researchers have theorized that perhaps Jacob left a sweetheart behind in Germany and during these first few years in Pennsylvania worked to earn enough to send for her. This is of course possible, but makes a better legend then fact, as the records give no indication as to how or where he met Anna Barbara Hoff whom he married on the 29th of December 1734 at Coventry. The marriage was performed by the Rev. Johann Caspar Stoever, one of the early traveling ministers, and is recorded in his records, which are now on file at Harrisburg. Note that Jacob's surname is spelled Wuertz in this record.

Anna Barbara Hoff

Several family researchers have cited the emigration records of the Ship "Samuel" that arrived in Philadelphia 17 August 1733 and list the names of a Hans Jacob Hoff, age 33; Anna Barbara Hoff, age 33; and Christina Hoff, age 2. It has been claimed that this Anna Barbara Hoff was the sweetheart of our Jacob Wurtz, and the woman he married in December of 1734. However this author has found no proof of this claim, and suspects that haste in

locating a similar name of the right age and time of emigration may have clouded reality. The assumption that Hans Jacob Hoff was Anna Barbara's twin brother, ignores the two year old child, and if this was a family of three upon arrival, unless the father and daughter died soon after, and the widow married our Jacob Wurtz, one would expect to find mention of Christina in the Wurtz family records, as a child this young would no doubt have been adopted by a step father.

Also, in Yoder's compilation of Pennsylvania German Church Records (I), his record of the marriage of Jacob Wertz on 3 Dec. 1734, gives Anna Barbara's maiden surname as "Hofin(?)" and in Knepper records Anna Barbara's maiden surname is recorded as "Huff". (AA) Thus it is with great reservation as to the connections in fact, that this emigration record of Anna Barbara Hoff is mentioned at all. Several Hoff researchers have been contacted, but as yet none have records of an Anna Barbara who might have married our Jacob Wurtz. Early Pennsylvania records do indicate that several Hoff families had arrived in Pennsylvania prior to 1734, and perhaps one of them had a daughter whom Jacob met and married.

The David Wertz autobiography of 1896 (DD) states that Barbara Hoff Wertz was a daughter of Jones Hoff. But he also implies that they were married in Germany, which the Coventry records clearly disproves. And David Wertz also gives a date and place of birth for Jacob which is disproved by the Bretten Church records. Thus we can hardly conclude that he is correct about Barbara's date and place of birth or her father's name, though we have not been able to prove or disprove any of these.

Family of JACOB & BARBARA WURTZ

The will of Jacob Wurtz, dated 14 March 1775, probated 25 Sept. 1775 names three sons and two daughters. The baptismal records of the

eldest son and two daughters were recorded at Coventry, and are now on file at Harrisburg. The descendants of the youngest son have a birth certificate that indicates he was born in York County. The family lived in Coventry for ten or twelve years, and it is not know exactly when they moved to York County. So the other son could have been born in Coventry or in York County. But the existence of five surviving children is certain.

The eldest son, John Cunradt Wertz, was born 15 Oct. 1735 and baptized 25 October 1735 at Coventry, Chester Co., Penn. He was know all of his life as Conrad Wertz. He was married twice, but all of his eight children were by this first wife, Mary. Twelve generations of his descendants are outlined in Chapter three.

The second child, daughter Maria Catherina Wertz, was born 8 August 1738, baptized 10 January 1739 at Coventry. She married Abraham Knepper, and they had five children. This family is outlined in Chapter four.

The third child, Anna Margaretha Wertz, was born 14 June 1740, baptized 22 Sept. 1740, at Coventry. Her fathers will says she married a Mr. Flood or Hood, but no record of such a family has been found. She may have married Henry Hoover. (CC)

The fourth child, John Wertz, was probably born about 1742 or 1743. He died in Franklin County, Penn. and his will, proved there in 1815, names only two sons. Their families are outlined in Chapter five.

The youngest son, Johann George Wertz, was born 31 January 1745 in York County, Penn. He inherited his father's farm in Quincy twp. of Franklin County, and with his wife, Catherina Stoner and their eight children lived there until his death 27 November 1798. Many of his descendants are still living in Franklin Co. This family is outlined in Chapter six.

The historical records of Franklin county (C) indicate that Quincy township was first settled by "a mixed population of Germans and Scotch-Irish. Frederick Fisher located in 1737; George Wertz came from York county in 1745; Adam Small settled about the same time. John Snowberger, a Swiss. settled in 1750; John M'Cleary, of Scotland, in 1768, and his descendants occupied the same tract of land for one hundred and two years. Christopher Dull, Abraham Knepper, Adam Small, George Royer, John and George Cook, Samuel Toms, John Heefner and others were early settlers."

The deeds indicate that it was Jacob Wertz who first purchased four adjoining tracts of land, by 1747, in what was then Cumberland County. Part of the property is described as "100 acres of land adjoining the widow Snowberger, Lodwick Stull, and Frederick Foreman, on a branch of Little Antetum Creek, in Antrim township in the said county of Cumberland."

This land is now in Quincy township, Franklin County, near the little town of Quincy. Onto this tract of land, Jacob and Barbara Wertz moved with their five children. It is believed that they first built a house on this land in 1756, which was rebuilt in 1826, and was still standing and in the possession of their descendants over 150 years later.(D) Hans Jacob Wurtz signed his will the 14th day of March in 1775. He wrote his own name, spelling it "Jacob Werts". This will is on file at Carlisle, Pennsylvania, in Will Book B, page 198. It reads as follows:

"In the name of God Amen. I, Jacob Wertz, of Antrim Township, Cumberland County and Province of Pennsylvania, yeoman, imperfect health of body, but of perfect mind and memory, thanks be given unto God, calling unto mind the mortality of my body, do make and ordain this my last Will and Testament in manner following: I recommend my soul into the hand of Almighty God that gave it, and my

body I recommend to the earth to be buried in decent Christian burial at the discretion of my Executors and as touching such worldly Estate wherewith it has pleased God to bless me with in this life, I give, devise and dispose of the same in the following manner and form: First I give and bequeath to Barbarey, my dearly beloved wife, out of my estate, as long as she lives, to be given yearly to her from my three sons Conrad, George and John Wertz, 10 bushels of wheat a year, and likewise 10 bushels of rye a year from each of my three sons, Conrad, George, and John Wertz. Likewise 2 cows, 2 sheep, and my sons to find feed for the cows and sheep, for her lifetime, every year 1/4 acre of hemp for her lifetime, each of my sons Conrad, George, and John Wertz shall give her 20 shillings apiece yearly for her lifetime, and a good dwelling house to live in for her during her life.

"I give to my well beloved sons Conrad, George and John Wertz my estate of land as it is parted and surveyed already. Likewise all my moveable estate such as horses, cows, and goods the three sons Conrad, George and John Wertz is to have and no other. Likewise the land in the Mountain, my three sons is to have every one to have share of it alike.

"My beloved wife Barbarey is to have a share with my three sons in the moveable goods, likewise I give to my daughter Catherine Knipper one English shilling. Likewise I give to Abraham and Catherine Knipper's children, 50 pounds Pennsylvania currency out of my estate to be paid 10 pounds a year. Likewise I give to my daughter Margrat Flood 50 pounds Pennsylvania currency to be paid her at 10 pounds a year. The said 50 pounds to Abraham Knipper's children and Margrat Flood to commence payable one year from or after my decease. This is to certify that if any of my sons Conrad, George or John Wertz should sell any of their land or places, they shall, must and will give good freeholders, two at least, for security for my wife's maintenance during

her life. If any of my sons should want to sell their place they should give the first offer to their other brother or brothers, and if they will not give as much as another person they are at liberty to sell it to whom they please. Likewise my wife is to have the bed and bed clothes and stone household goods both in room and kitchen and her firewood to be cut and hauled home free from all costs and charge. Likewise a horse, the use of it, when she is in want of one. Likewise my wife is to raise the young cattle that she has from the two cows till they are three years old. My sons is to find feed for them, and she is to put one away, once every three years.

"Likewise the servant girl is to have, when she is free, her choice of the cows, and to have one cow given her, a spinning wheel, a feather bed, good freedom clothes.

"I likewise constitute, make, and ordain Conrad, George and John Wertz, and Barbarey, my wife, the sole executors of this my last Will and Testament, and I do hereby utterly disallow and revoke all former Testaments and Wills and executors ratifying and confirming this and no other to be my last Will and Testament. In witness whereof I have here unto set my hand and seal this 14th day of March in the year of our Lord 1775."

(Signed) Jacob Werts

Witnesses: James Murray, Lodowick Stull, Richard Heckom, George Adam Cook.

The various spellings of the Wertz surname are of interest, but seem to have no particular significance. In the Bretten Church records the name was most often spelled Wurtz. The ship's log of the "Brittania" shows the name spelled Wirtz twice and Wurts once, each list written by someone other than Jacob himself, since he signed by mark. Rev. Johann Casper Stover's records show the name spelled Wuertz. Jacob signed his will "Jacob Werts", but whoever transcribed the will used the Wertz spelling. Jacob's descendants have continued to use the Wertz spelling.

Chapter 3

JOHN CUNRADT WERTZ, 1735 - 1793

John Conrad Wertz was born 15 October 1735 at Coventry, Chester County, Pennsylvania, the eldest son of Hans Jacob Wurtz and Anna Barbara Hoff. He spent his early boyhood in Chester County and moved with his family when he was 6 to 10 years old, first to York County and soon after to what is now Quincy township in Franklin County. Here he remained for the rest of his life. He was known throughout his life as Conrad Wertz, though many records spell his name in various ways. (The IGI lists him as Conrad Worts!)

Sometime about 1758, probably in Quincy township, Conrad married. His first wife's name was Mary, but we do not yet know her maiden surname. She was the mother of all of his eight children. Mary died sometime between 1781 and 1792, and soon after her death, Conrad remarried. His second wife was Catherine, and to date we do not know her maiden surname either. She lived until sometime after 1810, and is named in Conrad's will. Catherine Wertz is listed as head of the household in the 1810 Census for Washington township, Franklin County, Penn.

Conrad Wertz died in 1793, and his will, dated 27 January 1792 is found in Will Book Volume A, page 237 at the Franklin County Courthouse in Chambersburg. The will reads as follows:

WILL of CONRAD WERTZ

"In the name of God, Amen, are the following articles by me and a last will and testament of Conrad Wertz being of good understanding hath ordained and set forth in the presence of Samuel Royer, Daniel Royer, Christian Miller, and William Brown.
"1st I recommend my soul unto the Almighty God, my body to the earth to be buried in a

Christian like manner. Unto my beloved wife Catherine I give and bequeath what she is entitled to by law besides one good bed. Next I bequeath unto my eldest son, John, one shilling sterling for his prerogative right. Next all my estate real and personal shall be sold by public vendue on these conditions all my real estate to be sold at any opportunity. Next all my surviving children, namely, John, Jacob, Peter, Conrad, Christian, Andrew, Daniel, and my daughter Mary shall all have an equal and alike portion. Next it is my will that my son Jacob shall have possession of the mill or the benefit thereof until the first of May 1793 for the expense he has been on the same.

"Next it is my will for the whole estate and all my property herein mentioned I do hereby declare, nominate and appoint Daniel Royer and Christian Miller to be Executors to act agreeable to equity and conscience whereby and at any times the said Executors, Daniel Royer and Christian Miller shall have full power and authority to collect all my just outstanding debts and also to pay and discharge all my just debts and to give title and deed of all the property to be sold as if the same had been done in my lifetime. Next I desire and is my will that my chosen and appointed executors, Daniel Royer and Christian Miller, shall at the same time have the same power and authority fully in my name and after all cases laid to give good title in my name for the plantation of George and John Wertz, my brothers, as they think fit, wherein shall be no dispute and all demands of any heirs against my estate shall have full power in my name to settle and justify the same and this my last will and testament by me pronounced, declared, signed, sealed in the presence of the present witnesses this 27th day of January Anno Domini 1792."

(signed) Conrad Wertz

Witnesses present: Frederick Foreman, William Brown, and Samuel Royer.

FAMILY of CONRAD and MARY WERTZ

1. John Wertz, born Sept. 1758 or 1759, in Quincy township, Franklin County, Penn. Died in 1833 or 1834, probably in Somerset County. He married by 1796 to Catherine Starr. They had eleven children, most of whom were born in Somerset County, Penn. See page 32 for an outline and records of his family.

See page 37 for outline and records of this family.

3. Mary or Maria Wertz, probably born about 1765 in Quincy township. She married Peter Coffman, and they had several children, but no records of this family have been obtained to date. It is believed that this family moved from Pennsylvania perhaps soon after their marriage.

Both Daniel and Sarah are buried at the Ellerton Cemetery, Ellerton, Montgomery County, Ohio. They had fourteen children, the first two born in Franklin County, Penn. and the rest born in Ohio. Outline and records of this family begin on page 74.

The reader will note that some dates are not certain due to the poor writing on the charts made in 1914 by Estelle Ryan Snyder. Others are disputed by several records or different descendants. Where dates are in question, all possibilities are indicated. If a "best" or primary source exists, only that date has been given.

JOHN WERTZ and CATHERINE STARR

John Wertz was born September 1758 or 1759 in Quincy township, Franklin County, and died in 1833 or 1834, probably in Somerset County. He is listed as John Werty in the 1810 Somerset County Census.
John Wertz married by 1796 to Catherine Starr, and they had eleven children. It is not yet know just when they moved to Somerset County, but at least two of their children were

christened there in April of 1799. It is possible that the two or three eldest children were born before they arrived in Somerset County, but at least the eight younger children were born there.

1. Elizabeth Wertz, born 1796; christened 14 April 1799, at the German Reformed Church in Stoystown, Somerset County, Penn. 11. George Wertz, born 1818; died 12 April 1881; married Sarah Martin, and had nine children, but their names are very blurred on the chart and impossible to read. The eldest two appear to be Elizabeth and Catherine, and the youngest two seem to be Clara and Mary. Chapter 4

ABRAHAM KNEPPER and MARIA CATHERINA WERTZ

Maria Catherina Wertz, born 8/26 August 1738, and baptized 10 January 1739 at Coventry, Chester County, Pennsylvania, second child and eldest daughter of Hans Jacob Wertz and Anna Barbara Hoff/Huff. Mrs. Snyder's chart indicates only that she married a "Mr. Knipper" and had a son named Abraham.

However, by correspondence with Mrs. Shirley Jo Cunningham of Fort Wayne, Indiana in 1976, and 1988; and Bonnie G. Moats of Waynesboro, Penn. in 1988, both descendants of this Knepper family, we have obtained much more information on the family and descendants of Maria Catherina Wertz Knepper.

Sources of this information also include the Will of Abraham Knepper, written 21 May 1811; the Will of David Knepper, written 16 Sept. 1824; and the Will of Joshua Knepper, written March 1839. All of these wills are on file at the Chambersburg Courthouse, in Franklin Co., Pennsylvania. An excellent, well documented, article on this Knepper family also appears in the National Genealogical Society Quarterly, Volume 73, Number 2, June 1985, pages 83-92. (BB) Many Knepper deeds are also available at the Franklin Co. Courthouse. The DAR index, Volume 155, page 290, and the DAR papers of Clara Elden, also contain information on this family. And finally, many of the members of this family are listed in the IGI.

Abraham Knepper was the son of Wilhelmus Knepper and Veronica Bloom. Wilhelmus Knepper was bapt. 27 Oct. 1691 at the Solingen Reformed Church, Westphalia, Germany (BB); son of Peter Kneppern and Anna Maria Fischer; and grandson of Tilman Kneppern and of Johannes Fischer. Wilhelmus Knepper, a weaver, married

22 Feb. 1723 at Surhuisterveen, Friesland, Netherlands to Veronica (Ferona) Bloom or Bloem, daughter of Ludwig Bloem. Wilhelmus and Veronica Knepper came to America in 1729 on the ship "Allen" from Rotterdam, arriving in Philadelphia, 15 Sept. 1729.

They settled in what is now Quincy township, Franklin Co., Penn. Wilhelmus died there about 1755; and Veronica died 27 April 1769. Two land indentures made in 1821 and 1822 list five children of Wilhelm and Veronica Knepper: Peter, Mary, Elizabeth, Catherine, and Abraham. One or more of their daughters may have been born in the Netherlands, or in route to America, but both sons were reportedly born after their arrival in what was then Antrim twp., Cumberland Co., Penn., but is now Quincy twp., Franklin County, Penn.

Abraham Knepper was born 10 March 1734. The IGI (E) gives the date and place of marriage of Maria Catherina Wertz and Abraham Knepper as 1758 in Franklin County. During the Rev. War, Abraham served as a private in Capt. Samuel Rogers' company, 1st battalion, Cumberland County Militia. Abraham's will, written 21 May 1811, names five children: Catherine, David, Abraham, Joshua, and Samuel.

Abraham's Family Bible records the same five children, and also gives the death date of his wife, Maria Catherina Wertz, as 17 March 1823. (AA) Abraham died 8 Dec. 1823 in Washington twp., Franklin County. Abraham and Maria Catherina Wertz Knepper are buried at the Mt. Zion Cemetery in Franklin County. All of their children were born in what was then Antrim township of Cumberland County, and is now Quincy twp., Franklin County, Penn.

David's will, proved 16 Sept. 1824, names ten children: Andrew, Catherine, David, Esther, Frederick, George, Jonathan, Leah, Sarah, and Dekel. This family is outlined beginning on page 84.

5. **Samuel Knepper**, born about 1780; died March 1839, Quincy twp.; married about 1814 to a Miss Biddinger or Bittinger. They had ten children, but both parents died before they were all grown, as their son Adam Knepper was appointed guardian over Frances, Susanna, Catherine, and Matilda. This deed seems to prove that Susannah was in fact a daughter of John Wertz, 1742/3-1815. Other Hoover (Huber) records (CC) indicate that John Wertz possibly married Christena or Christiana Hoover, a daughter of John Hoover and Mary Watson. However complete proof that this Christena Hoover Wertz was the mother of Jacob, Frederick, and/or Susannah is lacking.

Susannah Wertz, 1785-1863, married by 1806/7, undoubtedly in Franklin Co., Penn. to John Baker, born 17 Oct. 1780, Franklin Co., Penn.; died 2 March 1853, age 72 years, 4 months, 13 days, Washington twp., Richland Co., Ohio; bur. Chapter 6

JOHANN GEORGE WERTZ and CATHERINE STONER

Johann George Wertz, born 31 Jan. 1745, probably in York County, Penn.; died 27 Nov. 1798, age 53 years, 9 months, 27 days, Quincy twp., Franklin Co., Penn.; 5th and youngest child of Hans Jacob Wertz and Anna Barbara Hoff. George Wertz probably married 19 Jan. 1778* to Catherine Stoner, born 27 Sept. 1758; died 16 April 1832, 76 years, 6 months, 19 days. Both are buried at Quincy cemetery. They had eight children: George, David, Jacob, Elizabeth, Barbara, Catherine, Eve, and Maria or Mary Wertz. Note: the date of 19 Jan. 1778* above, is given on the 1915 Chart as Catherine's death date, but she was clearly still living in 1798 when George wrote his will, and her tombstone says she died in 1832. Therefore it is probable that this other date on the chart is their marriage date, but proof is yet lacking.
George Wertz served in the Rev. War, as a Private in the Penn. Line, and is thus listed in the Pennsylvania Archives 3rd Series, Volume 23, page 817. Order of birth of their children is also uncertain, as the order (above) on the chart does not match the order named in George's will. The youngest son, Jacob, born only two and a half years before his father died, according to the dates on the chart, is not named in the will at all.

The will of George Wertz, written 16 July 1798, probated 3 Jan. 1799, and recorded at Chambersburg, Book B, page 67, reads as follows:
"In the name of God, Amen. I, George Wertz of Washington Township in the County of Franklin and State of Pennsylvania, being very sick and weak in body but of sound and perfect mind and memory, do by those present make and publish

this my last Will and Testament in manner and form following: that is to say first I give and bequeath unto my beloved wife Catherine her choice of one of my horse creatures and choice of one of my cows and my cloth piece and a shirt and her bed. And I ordain that the whole of my estate, both real and personal shall be under my said wife's care so long as she shall continue my Widow, or until my son George shall arrive to the age of 21 years and if then he wishes to enjoy the one half of my plantation either he, himself, or my Executors here after mentioned shall apply to the Orphans Court for the Court to appoint six proper men to divide my said Plantation in two as equally as they can and value each part and allow reasonable time to pay the money to the rest of my Children in yearly payments and the one half part where the house and barn is on, my said son George shall have and the other half my son David shall have again he arrives to the age of 21 years, and they, my said sons, shall hold the same to themselves, their heirs, and assigns forever as fully and employ as ever I did in my lifetime, and if my said wife shall continue my Widow for nine years, or during her natural life then my said sons shall build her a sufficient house for her to live in near the School house land and as convenient to the Spring as she shall choose, where she shall have four acres of land, two acres upland and two acres of meadow, and five acres of Woodland wherever she shall choose on my said premisses which she, my wife, may occupy as she pleases but if she shall marry again she shall be excluded of the same, and my personal estate shall be sold by my executors at public sale, except what I have herein first bequeathed unto her and each of my daughters when they marry shall be furnished out of my estate with one good feather bed, spinning wheel, shirt, and a good cow and household furniture at the discretion of my Executors so that they shall be furnished all alike, and the piece of Woodland

I have in the South Mountain, near Thomas Stoopers, shall be equally divided between my said two sons, George and David, and the same way as my other premisses. And all my children who have not yet got schooling shall be schooled as far as may be necessary and paid out of my estate. And I do hereby appoint my loving wife Catherine Executrix and Frederick Fisher and John Hastner, my trusty friends the executors of this my last will and Testament, and do hereby revoke all former Wills heretofore by me made, in witness whereof I have hereto set my hand and seal the 16th day of July in the year of our Lord 1798." George Wertz signed by mark, and the witnesses were Ludwig Noll, Christian Miller (who wrote their names in German Script) and Samuel Royer.

Following this will is recorded: "Adjacent to the last Will and Testament of George Wertz of Washington Township in County of Franklin, deceased and by an order of the Orphans Court of said County dated 17 Feb. 1809, John Huber, George Cook, James Johnston, John Johnston, Adam Small, and John Boyer are appointed to view, value and divide the lands of the said deceased as mentioned in his Will, between his two sons George Wertz and David Wertz and accordingly we went on the premises on the 17 day June 1809, and we do agree that George Wertz, the older son shall have the one half of said tract of land, including the buildings and improvements it being 12 acres and allowances, etc. (as this day laid off and a plot thereof made) at the sum of 1116 pounds 8 shillings, lawful in Pennsylvania, including his own part or share of said estate, at the yearly payments of $100 until the whole is paid fully up. The first payment to become due on the first day of May next. That David Wertz, the second son shall have the other half of said tract of land (as laid off) and as aforesaid denoted at the sum of 1016 pounds 8 shillings money of record including his own share or part of said estate at the yearly payments of $100 until the whole is fully paid

up. The first payment to become due one year after the said David arrives to the full age of 21 years. And we further on the aforesaid day viewed 55 acres and allowances of Mountain Land going on the premises and do value the same at the sum of 80 pounds 18 shillings and nine pence money of record (being paid of said deceased estate) the sum to be equally divided between the two sons of said deceased, George & David Wertz, share and share alike, payments to be made as above directed in proportion as the $100 is to be paid, their own shares included, as above set forth. These are the valuations we make and the payments agreeable to said deceased's last Will, not taking into notice anything about the Widow's thirds or dowry which if she obtains these as options are that allowance ought to be made agreeable to what she received unto the aforesaid two sons of said deceased. In witness whereof we have hereunto set our hands and seals 17 day June 1807." Signed by John Huber, Geo. Cook, John Boyer, James Johnston, John Johnston, and Adam Small. All of them signing in German.

Chapter 8

A Parallel Wertz Family History

The following history is presented here, because there are several parallels in their story and the family traditions of our Bretten, Germany ancestors, although no proof is yet available that they are directly related. The possibility exists however, and must be seriously considered. Secondly, members of this Wurtz family emigrated to Pennsylvania about the same time as did our Bretten ancestors, and the given names are also very similar. Thus some records may have become confused or mixed, between the two families.

THE WIRZ FAMILY OF ZURICH, SWITZERLAND

Ulrich von Uerikon was the second son of Rudolph von Uerikon, and a knight and vassal of Rudolph of Hapsburg, who became Holy Roman Emperor of Germany. Ulrich married in 1280, to the Baroness von Wandelburg, daughter of the Lord High Steward of Rappenschwril, Zurich, Switzerland. Berkhardt von Uerikon, son of Ulrich von Uerikon, and his descendants for eight generations were Ammanns or chief magistrates and burghers of the town of Zurich in Switzerland. Burkhardt's son, Heinrich is believed to have been the first of the family to adopt the surname of Wirz. Two generations later, Heinrich Wirz, son of Burkhardt Wirz, and grandson of Heinrich (above), living at the time of the Reformation in Switzerland, became a convert of Zwingli. This Heinrich, and his two brothers, Jacob and Johannes, were known as the honorable and pious brothers, called the "Wirzen of Uerikon" and were granted the honor of knighthood by Albrecht von Bonstetten, Dean at Einsiedeln, in December of 1492. This Heinrich was chief magistrate of Uerikon and Almoner, of the Princely Abbey of Einsiedeln.

He married first in 1498 to Agnes Von Cham, and married second to Verena Wedischwiler.
A son, by his second wife, Jacob Wirz, born in 1506, also held the office of chief magistrate at his death in 1536. Jacob Wirz married Margaretha Vachtigen, and a son of theirs, Casper Wirz, born 16 April 1532, became a burgher in Zurich in 1558, and married 9 Feb. 1553 to Anna Kleiner. Johannes Rudolph Wirz, eldest son of Casper and Anna Kleiner Wirz, was born in 1554. He married 1st 1 June 1577 to Verena Aeni, and 2nd on 30 June 1602 to Dorothy Richtmann. He was a weaver and a member of the weavers' guild. His third son, Franz Wirz, born February 1581, died 4 Oct. 1658; married 15 Oct. 1603 to Margaretha Horner. Franz was also a weaver. The eldest son of Franz and Margaretha Horner Wirz, Johannes Conrad Wirz, was born 20 May 1606, died 31 Dec. 1667. He was admitted to the ministry of the gospel March 1628, and became a preacher of considerable eminence. He married Juditha Knemm; and their son, also named Johannes Conrad Wirz, born 27 August 1631, died 30 Nov. 1682, also became a minister in 1654, and was pastor of churches at Rappenschweil in 1656; at Uerikon in 1658; at Richtenwell in 1661; at Zurich in 1668 and 1680. He married 17 Jan. 1660 to Ursula Holzhalb, and their eldest son, also named Johannes Conrad Wirz, was born 5 May 1661 at Zurich. He also became a minister of the gospel and was pastor of St. Peter's Church in Zurich; and later pastor at Kerensen, Switz., where he died 20 April 1730. He married 3 Nov. 1685 to Magdalena Klinger, born 14 Sept. 1664, died 1729, and they had six sons and six daughters. Their fifth son was also named Johannes Conrad Wirz, and was born 30 Nov. 1706 in Zurich. As a young man he entered the service of the King of the Netherlands, as a cadet. But he soon abandoned the military profession, returned to his native city of Zurich, engaging in the practice of law. In 1735 he emigrated to America.

1735 EMIGRANT JOHANNES CONRAD WIRZ

Rev. Moritz Goetschy or Goetschius, born 26 Sept. 1686, in Zurich, a son of Rudolph and Magdalena Kolloker Goetschy, who had been a minister at Salentz in the Canton of Zurich, but was deposed from the ministry in 1731, began to organize a colony of Swiss to go with him to America. In 1734 advertisements in the Zurich newspapers described the American colonies as "a second Canaan" and enticed many to emigrate. Goetschius succeeded in his efforts, and on 4 October 1734, three large boats floated down the river Zimat containing a party of from 174 to 256 Swiss men, women, and children, including Goetschius, his wife and eight children, and Johannes Conrad Wirz or Wurtz, who was the commissary of the party. They were bound for Rotterdam, and then America. At Neuwid, on the Rhine, four couples went ashore and were married by a Reformed clergyman. Among them was "Commissari Hans Conrad Wirtz and Anna Goetschi", daughter of the leader of the expedition.

Rev. Moritz Goetschius, his wife, and eight children, including daughter, Anna, and her husband, Conrad Wurtz sailed from Rotterdam in the ship "Mercury" on 24 February 1735 and arrived in Philadelphia 29 May 1735. On the day of their arrival, the men took the oath of allegiance at the Philadelphia State House, and the name of Conrad Wuertz heads the list. Rev. Goetschius was not well when they arrived in Philadelphia, and was carried ashore the next day, so weak that he could not walk unaided, and died later that day, 30 May 1735. His seventeen-year-old son, John Henry Goetschius soon became a minister (by 1739 he was a Pastor) (N) and under his leadership the family and most of the colony settled near Skippack.

Johannes Conrad Wurtz is believed to have remained with the remnant of his wife's family near Germantown for a time. Their first child, Anna Maria Magdalena Wurtz was baptized

at Christ Church in Philadelphia on 20 August 1735 at three days of age. Later he became a school master at Old Goshenhoppen (N) (now Montgomery County) and then at Conestoga (now Lancaster County. A land warrant in Phila. Co. for 150 acres to Conrad Wurtz is dated 14 September 1738. This land was probably in what became Montgomery County in 1784 and later Berks County in 1752. In 1742 Conrad Wurtz became pastor of the Egypt Church, in Whitehall twp., in then Bucks (now Lehigh) Co. In 1744 he became pastor of Trinity Reformed Church, Schuggenhaus, Springfield township, Bucks Co., and in 1747 he added responsibility for congregations at Saucon, (O) Forks of Delaware, and Lehigh. By 1750 he had removed to near Lebanon, New Jersey where he lived until 1762. He was not officially ordained to the ministry until 5 June 1752 in New Jersey, and then became the first Reformed minister in the Province of New Jersey. (O) He was pastor for ten years of the church near Ringoes, Larison's Corner, New Jersey, and also took charge of the congregations at Fox Hill, Alexandria, Rockaway, German Valley, and Amwell. Then on 9 May 1762 he was installed as pastor at the Zion Reformed Church, York, Penn. and officiated there until his death 21 Sept. 1763. During his brief pastorate there, a new stone church was erected and eighty-three children were baptized by him. At his death, the floor of the church was not yet laid, so he was buried under the alter. Several sessions of the Continental Congress were later held in this church.

Rev. Johannes Conrad Wurtz and Anna Goetschius had one daughter and five sons: Anna Maria, Conrad, John, George, Peter, and Maurice.

PETER WIRT and ELIZABETH SHEESLY

Peter Wirt, born about 1772, a farmer who died near Carlisle Springs, Cumberland Co., Penn.; son of John Adam and Eva Elizabeth Wirt. Engle (J) says Peter married Miss Sheesly and had three children, Peter, Philip, and Eve. A Baptismal record at the Salem Evangelical Lutheran Church near Killinger, Dauphin Co. shows a Peter Wirth, baptized 6 Oct. 1793, son of Peter Wirt and Elizabeth. Other baptisms

at the First Evangelical Luthern Church, Carlisle, Cumberland Co., Penn. for parents, Peter and Elizabeth, show two sons, Jacob and William, both baptized in 1821. These could be sons or grandsons of this Peter who married Miss Sheesly. The following probable outline of this family is given here, although complete proof is lacking.
The three children of Peter Wirt and Miss Sheesly named by Engle are:

1. Peter Wirt "resides in Trumbell Co., Ohio." Probably the Peter baptized at Killinger 6 Oct. 1793; possibly the father of the Jacob Wert and William Wert, both baptized at Carlisle 29 Jan. 1821. Maybe also the father of the Peter Wert, born 1815, outlined below.

2. Philip Wirt "resided in Trumbell Co., Ohio."

3. Eve Wirt "resided in Trumbell Co., Ohio."

PETER WERT, born 1815, married four times

Information on this family was received by correspondence with a descendent, Edith Wirt, of Cypress, California in 1987. Proof that this Peter descends from this Dauphin County Wirt family is not definite yet, but names, dates and places seem to indicate a tie.

Peter Wert, born 1815, probably in Cumberland County, Penn.; died 3 March 1885, age 70 years, 1 month, and 23 days old; buried at Grant Cemetery near Garden City, Cass Co., Missouri. Peter married 1st to Cecelia Litrell, born 16 May 1818, and died when their first child, Margaret, was born, about 1841. Peter married 2nd to Lydia McClasky, born about 1826, died about 1853, they had four sons, Robert, Joshua, James and Charles. Peter married 3rd on 2 Nov. 1854, to Mary Ann Kayler, they had one son, Samuel, before she died. Peter married 4th 29 Jan. 1857 to Isabel Magee Ferney, born 6 March 1822, died

24 March 1907; they had one son, William. In the 1860 Census this family is shown living in Jackson County, but the record is on the Crawford County, Ohio microfilm. 7 children:

Chapter 11

SOUTHERN WERTZ FAMILIES

In Chapter 9, mention was made of the eldest son of John Adam and Eve Elizabeth Wirt, Adam Wirt who went to Virginia, married there and raised a "large family". (see page 221) It is not known what date he went to Virginia, but probably about 1780 to 1790. It is also not known what part of Virginia he settled in, or if any of the families outlined below are descended from him.

Also, in Chapter 8 is mention of a William Wirt who was admitted to the bar in 1792, had a law office at Culpepper Court House, in Virginia; and then in Richmond in 1799. (L) (see page 220) Perhaps some of these Virginia families are his descendants.

Chapter 12

THE 1915 WERTZ FAMILY ASSOCIATION

Apparently our Franklin County, Penn. Wertz families established a Family association in the early 1900's. The letter heading shown on the next page, indicates a rather active and extensive group. The letter on this heading reads: "Dear Friend: If you wish to become a member of the Wertz Family Association you have but to send $1.00 money order to W.J. Snyder, Sec'y-Treas., 1305 Ashland Block, Chicago, for life membership, and in return you will receive a handsomely engraved membership certificate.

"Any one bearing the name of Wertz, or related thereto, is eligible for membership. Our Association now numbers 689 members and is steadily increasing.

"If you desire further information regarding the Wertz history, Paul Wirtz's fabulous estate - in fact, everything in detail that we are cognizant of, send $1.00 extra to W.J. Snyder and get a printed booklet containing the family history as far as known.

"You are cordially invited to join our Association at once. Members only will be kept informed as new developments occur. Always enclose stamped self-addressed envelope for your reply. We are trying to save our funds as much as possible and our heavy mail is a serious drain upon our finances. Yours in the work, Estelle Ryan Snyder, President"

It is not known by the present generation how many years this Wertz Association existed. It is certain that they were the authors of the Wertz charts upon which the first six chapters of this book are largely based. The "printed booklet containing the family history"

Dear Friend:

mentioned in the letter above, has never come into the possession of any of the current generation, as far as we now know. Thus we cannot say if it contains records not on the charts that were preserved for our benefit.

There is a record available at the Newberry Library in Chicago, and the L.D.S. Library in Salt Lake City, that is indexed under Wurtz, Wirtz, and Wertz by William J. Snyder, titled "Stenographic report of proceeding had at the second reunion of the Wertz family held at Harrisburg, Pennsylvania. October 25, 26, 27, 1912", Chicago, Illinois, 1912. The 102 pages include a history of "Jacob Wuertz born 1705 in the Palatinate of Germany, and immigrated via Rotterdam in 1731 to Chester Co. Penn.; married Anna Barbara Hoff in 1734, and later moved to Cumberland (now Franklin) Co., Penn." This record also included names and addresses of the members of the Wertz Family association in 1912; and a four page publication by Estelle Ryan Snyder titled "Logical reasons why the Wirtz inheritance case should be re-opened and properly adjudicated." The gist of this material is recorded below.

Both of these libraries also have copies of Estelle Ryan Snyder's charts as we have them.

THE PAUL WIRTZ INHERITANCE CASE

Paul Wirtz was born 28 September 1612 in Husum, Germany. He served in the Imperial, Swedish and Dutch service during his lifetime. He became Field Marshall of Holland. In recognition of brilliant military service Sweden conferred upon him the title of Baron of Ornholm. In 1673 he retired from active service in Hamburg, Germany. On March 21st or 23rd, 1676 he died unmarried.

Paul Wirtz' father, Nicholaus Wirtz, was married twice. His first marriage was to a woman by the name of Catrina Orth. Their three children were Peter, Anna, and Heinrich

Wirtz. After the death of his first wife, Nicholaus married Anna Bauschen. They also had three children: Paul, Herman, and Benedict.

Paul, the eldest son of Nicholaus' second marriage, became the great Field Marshal Paul Wirtz, one of the greatest military men of his generation.

Paul Wirtz' brothers, Herman, born in 1622; and Benedict, born in 1625; were both killed in the "War of Thirty Years". Both brothers were killed in battle, unmarried, and without heirs. Field Marshal Paul Wirts also died unmarried. Thus, Paul Wirts' two half brothers, Peter and Heinrich, and half sister, Anna, became his natural heirs.

However, a will dated December 28th, 1672 at Gorcum, Holland, gives all his moveable goods and 12,000 gulden to his housekeeper Johanna von der Planken and her daughter Berta.

Paul Wirtz retired to private life in Hamburg, Germany in 1673, and died there in 1676. Soon after his death his housekeeper, Johanna von der Planken, produced another will, acknowledged by a Notary Public, in which she was constituted as Paul Wirtz "exclusive heir" and charged with numerous legacies. This will was not signed by Paul Wirtz himself, but by one of the witnesses. This will was opened, read and confirmed and Johanna von der Planken took charge of the Wirtz inheritance.

Then in the latter part of the year 1676 the president of the Court of Chancery received notice that the Wirtz inheritance had been wrongfully obtained by a forged will. And on January 28, 1677 by issue of an Imperial decree at the Court of Windischgratz, the Bremen Ambassador, was commissioned to investigate the case and if it was found as alleged, to confiscate the inheritance.

On February 13th and 25th, 1677 Windisengratz reported, among other things, that the Mayor Schulz and the Imperial Counselor von Rondeck, had been bribed by Johanna von der Planken so there would be no contest of the Wirtz will. For this von Rondeck had received 1000 Reichsthaler. The bribery of von Rondeck is proven by documentary evidence contained in the Archives of the City of Amsterdam under an "Original Act" of May 4, 1676, in which von Rondeck acknowledged receipts for 3000 Reichsthaler in order to uphold the testament. The 34th Register of the Orphan Court of the City of Amsterdam, folio 318, shows that von Rondeck received on May 4th, 1676, a loan of 107,500 florin from Wirtz' housekeeper, Johanna von den Planken.

This documentary evidence proves that as a result of this collusion the von der Planken woman assumed control of the Wirtz inheritance until March 20th, 1677, when, by the direction of Count Windischgratz the inheritance was confiscated and the Notary Public, Johanna von der Planken, and the steward Sievert Kerk, who had also been remembered in the forged Wirtz will with a legacy, were arrested and all persons present at the drawing up of the will had to testify under oath.
Soon after, by the direction of Johanna von der Planken, who had been set free through the activities of a Dutch resident, by name Kuysten, the Hamburg Courts issued a summons to all who thought they had a claim to the inheritance to come forward. Many who thought themselves heirs, came forward to be present at the hearing of the witnesses, this hearing having been demanded by Johanna von der Planken.

Among the "pretender heirs" that came forward were Mrs. Ingeborg Kirutz of Helsinger, Denmark, and Mrs. Herlige Teets of Amsterdam; also the Attorney General and the Hamburg Attorney General took part in this lawsuit. On November 6th, 1678 the court concluded not to

turn over the inheritance to Johanna von der Planken, but to allow her a yearly sum of 500 Reichsthaler for maintenance until the case was settled.

Early in the year 1679 Johanna von der Planken died. Her will is in the archives of Amsterdam. The guardian of her daughter, Berta, obtained an agreement on 7 March 1679 from Mrs. Kirutz, that Mrs. Kirutz would surrender all her claims on the Wirtz estate in favor of the daughter, Berta, for the sum of 15,000 Reichsthaler and one half of a Holstein bond for 16,000 Reichsthaler.

On Sept. 26th, 1679 the Hamburg Court decided that this agreement between the Planken guardians and Mrs. Kirutz should stand. There are also reasons mentioned in Vienna Acts 39 which would indicate that the question of the legality of the Wirtz will was at that time still unsettled. This judgment was confirmed by the Imperial Counselor July 27th, 1691.

Great changes had meantime taken place with the inheritance. The city of Hamburg had, in the beginning of April 1677, seen to it that all and everything which had been confiscated by the imperial Court was released and brought to the house of Mayor Meurer.

Immediately upon the seizure of the Wirtz inheritance by the Imperial Court, the woman, Johanna von der Planken asked her friends, gentlemen of Amsterdam to act on her behalf and to protect her. Knysten, a dutch resident at Hamburg, had most energetically protested against the imprisonment of his country woman, and it was through his efforts that the woman secured her release.

It is evident that by this Knysten's direction the General States took an active part in the matter by a direct request made by the city of Amsterdam, for resolutions to this effect were made by the General States August 10, 1678;

the Mayor and officials of the city of Amsterdam worked on the woman's behalf and interceded for her frequently. On the foregoing date, the General States threatened Hamburg with reprisals, demanded the handing over of the Wirtz inheritance, and stated under affidavit that the Wirtz will lacked very essential points regarding validity. Their protests were to no avail, however, and the protection of the Emperor was also powerless. The handing over of the Wirtz inheritance was finally accomplished on November 6th, 1678. The Mayor and counsellors could not do otherwise than seize some of the Wirtz inheritance, more of which had come to light, and to confiscate a part of it.

Final reprisals were threatened again on April 28th, 1679, and so much influence brought to bear that the city of Hamburg fearing a devastating war, agreed to turn over the inheritance to the city of Amsterdam. The confiscated goods were transferred in 28 trunks. Among the court documents there is a legally acknowledged inventory which was made June 11th and 12th, 1679 in Amsterdam.

Not only was the Wirtz inheritance seized, but the body of the deceased Paul Wirtz was also demanded and taken from Hamburg to Amsterdam where it was buried in the Old Kirke with great military honors.

In the second will, said to have been made by the Field Marshal, Paul Wirtz, but which it is contended was forged by Johanna von der Planken, this will particularly specifies: "After my death my lifeless body shall be buried with Christian ceremonial in the Church of St. Michael's, situated in Hamburg, and it shall rest there until that great day on which God designated to reunite body and soul".

Not content with obtaining the inheritance by threat of reprisal, the General States

desecrated the grave of the native born German, disinterred the body, two years after burial and conveyed it to foreign shores in utter defiance to the wishes of the deceased wherein he specified his burial place at St. Michael's Church at Hamburg, Germany.

In the Archives of the city of Amsterdam there is a second inventory dated 1679. The total amount of this one inventory alone reaches the sum of 545,439 gulden. This includes a number of notes for interest, which were in arrears from three to four years in each instance. Many of these notes were for 5,000 gulden, and were amounts loaned to the General States; a bond of 10,000 florin issued by the Holstein Government in the year 1633 had interest years in arrears. 17 buildings situated in the city of Lubeck, Germany were a part of the Wirtz inheritance, and contents of two of the trunks said to contain very valuable tapestries were not sold, but placed in the vault at Amsterdam.

At the time the city of Amsterdam took possession of the Wirtz inheritance by threats of reprisals against the officials of Hamburg, the Commissioners of the Exchange of the city of Amsterdam, and the Mayor and Administration Board of Hamburg, made an agreement in regard to the Wirtz inheritance. The agreement was that the inheritance should be brought under seal to Amsterdam, an inventory, and appraisal of goods made and then same was to be sold under the condition that it should then be handed over to the Exchange to be kept in trust for those to whom it belonged by right.

Enclosed with this account, which was presumably written in 1912 to 1915 by Estelle Ryan Snyder, is a chart, titled "Genealogy of the Wurtz Family - stepbrothers and stepsister of the Field Marshall Paul Wurtz - Peter, Anna, Heinrich, Time 1612 - 1772" under this title is written "Hans Escher, retired Police kommissioner, Essen - Ruhr".

At the bottom of this chart is the following: "That this is the signature of Sebastiani, notary and court secretary of the Electoral government of Trier, and that the seal is the Thal Ehrenbreitstein court seal, and is hereby attested and confirmed." signed Johann Jacob Spitz, Government registrar of the Electorate of Trier.

"This is to certify that the above draft is correct according to the baptismal records and original documents of the Court Archives, and that the persons named thereon, should be recognized as the true relatives and the real heirs of the Hoillandisch Field Marshal Paul Wurz, who died in 1676, and that this draft was drawn by our court secretary. We the magistrate and judicial deputies of the court of the Electorate of Trier, seated in Thal Ehrenbreitstein and parish Niederberg, attest herewith with signature and common court seal. Executed in Ehrenbreitstein at an extra session of the Court August 28, 1772. By judicial order." (signed) F.H. Sebastiani, court secretary.

"The above draft of Genealogy has been compared with the original and has been found to conform in every detail. In testimony whereof I affix my signature and my seal. October 2, 1772. signed Joannes Josephus Christophorus Scholz, apostolic imperial notary public, duly authorized and under oath. In faith."

Now it is obvious that since the copy we have of this chart is written in English, it is not the original written in 1772 in Germany or Holland. Perhaps Estelle Ryan Snyder made this copy also, perhaps from records she received from Germany or Holland. Record as to just how this chart came to be in its current form is missing. But the genealogical and historical data on it is none the less of interest, and no doubt accurate.

About the Author

This Wertz Family History Book has been compiled by Mrs. Carolyn Cell Choppin, born 27 February 1938 in Evanston, Cook County, Illinois; daughter of Clark Wesley Cell and Erma C. Janssen Cell; and granddaughter of George Croft Cell and Cornelia Ellen Clark Cell (see page 53).

When I first married and moved to California in Sept. 1960, I suddenly discovered other families of our surname that I could not identify immediately. Establishing those ties that bind the generations together thus began for me in my early 20's, and has over the last 30 years become first a hobby and then a calling as a family history teacher and librarian, and now a profession as a family history writer.

It is my hope that this Wertz Family History Book will help many others to pick up the trail of their ancestors, explore it and learn to love their families and the heritage they have left to us. Those who are able to establish new ties or add additional information to that recorded here are encouraged to write to this author. As I write this, in March 1990, we are preparing to move - again - this summer, this time to Washington State. Check the LDS Family Registry, and I shall try to keep a current address there.

WERTZ, WIRT, WUERTZ, Etc.,

FAMILIES OF PENNSYLVANIA, 1400's - 1990

By Carolyn Cell Choppin

This genealogy is concerned primarily with the ancestry and descendants of Hans Jacob Wurtz, who left the Palatinate and emigrated to Pennsylvania in 1731. The European data concerns his Wurtz lineage and extends back to about 1600. Both male and female lines of descent from Hans Jacob Wurtz are traced in America. In addition, a great deal of data is presented on other families of the Wertz, etc., surnames from the Midwest, Virginia, and North Carolina, whose connection with Hans Jacob Wurtz has not been established. The text is illustrated with a few maps and old family photographs, and there is a very complete index.
